### Dimensions

Each poster will be allocated display space that is **1 meter (38 inches) high by 1 meter (38 inches) wide**. We must ask that you do not exceed this display area. PLEASE NOTE this size is in meters, not feet.

You may bring your poster already assembled, or you may bring items to be individually posted within the **1 meter (38 inches) high by 1 meter (38 inches) wide** area.

Here are a few hints for good poster presentations:

- ◆ Posters must be in English.
- ◆ Please ensure that the size of the type used on your poster is easy to read. We suggest 3 cm (85 points) for main headings, 2 cm (56 points) for sub headings, and 1 cm (28 points) for paragraph text.
- ◆ Make your poster simple and eye-catching.
- ◆ Provide handouts or copies of your poster.
- ◆ Use large print and a minimum of text.
- ◆ Graphs and statistical data are typically of interest.
- ◆ Try to have an introduction and summary panel.
- ◆ This is an international organization and not all attendees will be fluent in English. Keep abbreviations and jargon to a minimum.

**Please remember: Poster size is 1 meter (38 inches) high by 1 meter (38 inches) wide**
