Become an Abstract Reviewer for the 2019 Annual Conference

Abstract reviewers serve a vital role in the scientific program planning process by ensuring the quality of the educational content presented at the annual conference. Reviewers will receive a certificate of participation, their name listed in the annual conference final program, and a ribbon for your badge if you attend the conference. Please select all the presentation types you would like to review from the list below:

- Workshop Proposals
- Symposium Abstracts
- Oral and Poster Abstracts
- I do not wish to review abstracts this year.

If you have selected to participate as a reviewer for 2019, you will be contacted by the ISOQOL Office prior to the review period. Please visit the Annual Conference Website for more information.

Create an Online User Account

All new members should create a user account for easy access to their online profile. ISOQOL members can use their online account to update their contact information and preferences, access member-only resources, and join Special Interest Groups (SIGs). All information updated on the user accounts is automatically updated in the Membership Directory.

Create an account or reset your password here: <http://isoqol.execinc.com/edibo/LoginHelp>

Quality of Life Research Journal

Your Membership includes a complimentary online subscription to the Quality of Life Research Journal.
