

2018 ANNUAL REPORT

SIG/Committee Name: United Kingdom & Ireland SIG

Date: February 2018

Co-Chairs: Elizabeth Gibbons, Anju Keetharuth

Board Liaison: Kevin Weinfurt, PhD

Mission: The overall aim of the United Kingdom and Ireland SIG would be to promote research into use of PROMS in the UK and Ireland. We would hope to address important methodological issues, discuss UK PROM developments as they arise. This will be an opportunity to encourage and facilitate networking, and support engagement with users (policy, clinical and patients). Support could also be provided for research students and fellows, new UK investigators and first time attendees at ISOQOL.
