

2019 ANNUAL REPORT

SIG/Committee Name: Child Health SIG

Date: 16 January 2019

Co-Chairs: Nalin Payakachat, Jeanne Landgraf & Robert Arbuckle

Board Liaison: Kirstie Haywood

Mission: Primary interests are to stimulate excellent child health-related quality of life research (C-HRQoL), to increase awareness among the general ISOQOL membership of the importance of early health and the potential of child health concepts and methodological practices to foster improvements in health across the lifespan. Such methods/practices include non-patient observer reports/studies; integration of data from multiple reporters: cognitive interviewing methods; adaptations of instruments for respondents with low literacy, attentional and other respondent challenges; and long term effects of health promotion interventions.

Number of SIG Members: 120
