

SIG Name: Health Preference Research SIG

Date: 5 February 2019

SIG Co-Chairs: Richard Skolasky, Manraj Kaur

Board Liaison: I-Chan Huang

Mission: The purpose of the Health Preference Research SIG is to perform and promote educational activities and scientific research with respect to health and health-related preferences and all that is related thereto in the broadest sense, is part thereof and/or may promote it; and to engage in organizational activities that support the growth and greater integration of preference research within ISOQOL and its membership.

Number of SIG Members: 124

Project/Objective	Actions/Deliverables	Project Chair	Project Members	Timeline
1. Increase HPR SIG presence at the Annual Meetings	<ul style="list-style-type: none"> Symposium Richard Skolasky and Donna Rowen co-led HPR-specific symposium submission. Members of the HPR SIG were invited through teamwork. The title of the symposium is "Patient preferences about health-related quality of life and healthcare: why and how to use them?" and includes abstracts from the US, UK and Canada, presented by early and mid-career investigators 	Richard Skolasky and Donna Rowen	Manraj Kaur Ayse Kuspinar Georg Kemmler Philip Powell	Submitted on January 31, 2019. If accepted, will be presented at the ISOQOL 26th Annual Meeting in San Diego
	<ul style="list-style-type: none"> Workshop Manraj Kaur and Amy Cizik co-led pre-meeting workshop submission on "Estimating Health-State Utility Values for Use in Economic Evaluation of Interventions". The workshop will use didactic and problem-based learning to introduce the participants to health technology assessment and different approaches to health-state utility estimation. 	Manraj Kaur and Amy Cizik	Donna Rowen Feng Xie	Submitted on January 31, 2019. If accepted, the pre-conference will be conducted at the ISOQOL 26th Annual Meeting in San Diego
	<ul style="list-style-type: none"> Pre-review of HPR abstracts HPR SIG members will be invited through Teamwork to submit their abstracts for review to select senior members prior to the ISOQOL submission deadline. This exercise will not only ensure that high-quality HPR-relevant abstracts are submitted but also ongoing engagement of the senior and new investigator/junior members of the SIG 	Richard Skolasky and Manraj Kaur		Winter 2019-early Spring 2019
2. Increase HPR SIG presence in the ISOQOL society	<ul style="list-style-type: none"> Newsletter submission Submit an update for the ISOQOL members via the Quarterly Newsletter 	Manraj Kaur Amy Cizik	Richard Skolasky	Early to Late Spring 2019

<p>3. Increase HPR SIG membership and engage current members</p>	<ul style="list-style-type: none">• Telephone meeting held 2 times per year<ul style="list-style-type: none">○ To report on the progress made to-date and upcoming project○ Create a registry of member expertise○ Create a library of seminal articles in HPR theory and methods○ Plan the agenda for HPR SIG meeting at the ISOQOL 26th Annual meeting in San Diego○ Encourage use of Teamwork as communication platform and to disseminate HPR-related activities/events (studentship/job/collaboration-related opportunities)	Richard Skolasky and Manraj Kaur	All HPR SIG members	Ongoing
