

SIG Name: Mixed Methods SIG

Date: 19 February 2019

SIG Co-Chairs: Skye Barbic and Carla Dias-Barbosa

Board Liaison: Kirstie Haywood

Mission: The purpose of the Mixed Methods SIG is to promote the use of mixed methods research in the field of QOL research by exploring the challenges and methodological solutions offered by this research paradigm, identifying opportunities for application of mixed methods research in the field, and defining good practice. Our ultimate aim is to share and learn best-practice methodologies which can be utilized to enhance the patient centeredness of outcomes research.

Number of SIG Members: 290
