

ANNUAL REPORT

SIG/Committee Name: Mixed Methods SIG

Date: 02/24/2020

Co-Chairs: Carla Dias-Barbosa, Motolani Ogunsanya

Board Liaison: Kirstie Haywood

Mission: The purpose of the Mixed Methods SIG is to promote the use of mixed methods research in the field of QoL research by exploring the challenges and methodological solutions offered by this research paradigm, identifying opportunities for application of mixed methods research in the field, and defining good practice. Our ultimate aim is to share and learn best-practice methodologies that can be utilized to enhance the patient-centeredness of outcomes research.
