2020 THE FUTURE IS NOW:

*A Vision for the Future of Outcomes Measurement and Quality of Life Research*

## Creating Your Personal Agenda

1. After logging in, **click on the Agenda tab**.
2. **Browse the Agenda**. The live sessions will show first with appropriate date and time with the on-demand sessions following. You can also use the filter to find specific session types.
3. **See something interesting?** Click the plus sign next to the session add to schedule.

You'll be able to find your own personal schedule under **My Schedule** in the left column of the **Home** page.
