

VIRTUAL ISOQOL 2021

Making valid decisions: Learning from Patient Reported Outcomes

VIRTUAL LATE-BREAKING ABSTRACTS

Submit a virtual late-breaking abstract to ISOQOL 2021! All submissions related to the theory, methods, and application of health related quality of life research are welcome.

Accepted abstracts will be presented as digital posters during the conference and published in the QLR journal supplement alongside the traditional abstracts.

Submit your abstract today!

**ISOQOL is only offering virtual late-breaking abstracts for the 2021 Annual Conference. This one-time, exclusive offer is a result of the virtual conference format, as abstract publication is not limited by journal printing deadlines.*

The International Society for Quality of Life Research (ISOQOL) is a global community of researchers, clinicians, health care professionals, industry professionals, consultants, and patient research partners advancing health related quality of life research (HRQL).
