OTHER WAYS TO SUPPORT

ISOQOL invites members, sponsors and partners to support ISOQOL by donating to specific charity programs.

DONATIONS

ISOQOL currently maintains three funds for both personal and corporate donations. Donations can be made in the honor or memory of an individual, or they can be made anonymously.

DENNIS REVICKI MEMORIAL FUND

The Dennis Revicki Memorial Fund was created to honor and commemorate JPRO Editor-in-Chief Co-Founder, Dennis Revicki, for his contribution to the Society. This fund honors his dedication to ISOQOL by awarding JPRO submission waivers to eligible applicants on a quarterly basis.

GENERAL SUPPORT FUND

General support donations amplify membership dues and event revenue, enabling ISOQOL to continue offering valuable benefits and opportunities to our members without raising membership dues. This is especially important for maintaining the discounts available to students, patient research partners, special and retired members. Many general support donations also support ISOQOL's education programs.

SCHOLARSHIP FUND

Scholarship donations help ISOQOL give more travel scholarships to Annual Conference attendees who are students, new investigators, patients or from developing countries. These scholarships include Annual Conference registration, one-year membership and support to offset travel costs.
